RE: OPRA 190409-316015

Dear Mr. Bixenspan:

Attached please find the records responsive to your Open Public Records Act request received April 9, 2019. Some records have been redacted to exclude personal identifying information based on a citizen's reasonable expectation of privacy. One record has been withheld because it contains security measures and surveillance techniques which, if disclosed, would create a risk to the safety or persons, property, electronic data or software. In addition, another record has been withheld to protect information considered inter-agency or intra-agency advisory, consultative or deliberative material. See N.J.S.A. 47:1A-1.

At this time your request shall be deemed closed. If you have any further questions, you may contact me at (973) 491-7178.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Orlando Cor-Dova', with a stylized flourish at the end.
